Mid-Michigan Children's Museum Pass Available

Have you and your family experienced the exciting new Mid-Michigan Children's Museum? Thanks to the generosity of the Mid-Michigan Children's Museum Board, our library can issue one free family pass per week. It will allow up to six family members to make one visit to the Museum for free. The pass must be used during the week that it is issued. Passes will be available on a first-come first-served basis, and will be available at 9:00 a.m. on Mondays. It is ok to call the library and see if the week's pass has been given out. We cannot hold the pass but at least you can find out if it is still available. Please call the library for more information 642-8621.

Hemlock Semiconductor Grant for \$1,500 for math, science and technology books

Thank you to our township manager, Renee Herhold for thinking of the library when Hemlock Semiconductor announced that they wanted to give money towards a local project. You will find the new materials on the new arrivals section when they are processed.
